No Personal Data will be collected via cookies and other tracking technology; however, if You previously provided Personal Data, cookies may be tied to such information. When and if You use the Website through Your mobile device, We may receive information about Your

location, Your IP address, and/or Your mobile device, including a unique identifier number for Your device. You can withdraw Your consent at any time by disabling the location-tracking functions on Your mobile. You acknowledge and agree that when You browse the Website without being a registered member or without providing Your Personal Information, We may still collect and store Your Non-Personal Information.

- **User Communications:** If You choose to post messages on our message boards, chat rooms or other message areas or leave feedback or if You send us correspondence, such as emails or letters, or if other users or third parties send us correspondence about Your activities or postings on the Website (“User Communications”), We will collect and store such information You provide to Us. We retain this information as necessary to resolve disputes, provide customer support, respond to queries and inquiries, and troubleshoot problems and improve the Services. Any communication, post, comment or correspondences made by You while making use of Our Website or availing the Services including but not limited to providing any general feedback or any communication with our customer service executive including any integrated artificial intelligence feature offered by the Website/ chatbot may be collected by us and retained as per the terms of this Privacy Policy.
- All information disclosed by You including but not limited to Your Personal Information, Non-Personal Information, User Information and Transaction Information shall be deemed to be disclosed willingly and without any coercion. No liability pertaining to the authenticity/genuineness/misrepresentation etc. of Your Personal provided to Us or with regard to any fraud or negligence thereof shall lie on the Company nor will the Company be in any way responsible to verify any information obtained from You. All information disclosed by You including all collected by the Company shall be stored on servers, log files and any other storage system owned by the Company or by third parties in India. Our primary goal in doing so is to provide You a safe, efficient, smooth and customized experience on the Website. The information collected by Us allows Us to provide the Services and features on the Website that most likely meet Your needs, and to customize the Website to make Your experience safer and easier.

Wherever possible, while providing the information to Us, We indicate which fields are mandatory and which fields are optional for You. You always have the option to not provide the Personal Information to Us through the Website by choosing to not use the Services or feature being provided by Us on the Website, which requires You to provide such information.

## **2. Use of Your Information**

We use the Personal Information, Non-Personal Information, Transactional Information and User Communications and such other information provided by You for the following: (i) to provide and improve the Services on the Website that You request; (ii) to resolve disputes and troubleshoot problems; (iii) to help promote a safe service on the Website and protect the security and integrity of the Website, the Services and the users; (iv) collect money from You in relation to the Services, (v) inform You about online and offline offers, products, services, and updates; (vi) customize Your experience on the Website; (vii) to detect, prevent and protect Us from any errors, fraud and other criminal or prohibited activity on the Website; (viii) enforce and inform about our terms and conditions; (ix) to process and fulfil Your request for Services or respond to Your comments, and

queries on the Website; (x) to contact You; (xi) to allow Our business partners and/or associates to present customised messages to You; (xii) to communicate important notices or changes in the Services, use of the Website and the terms/policies which govern the relationship between You and the Company and with Our affiliates for providing Services to You; and (xiii) for any other purpose after obtaining Your consent at the time of collection.

You hereby specifically agree and provide Your consent thereby enabling Us and/or our group companies, affiliates to collect, store, transfer, process and share information (including Personal Information) related to You with third parties such as [●], including regulatory, governmental and other relevant statutory authorities such as Securities and Exchange Board of India, AMFI, Central Registry of Securitisation Asset Reconstruction and Security Interest of India (CERSAI)/payment gateways/collecting banks/KRAs etc., solely for the purpose of reviewing your profile and processing your transaction requests for the Services or for other products/services offered by us or our group companies and affiliates.

We may automatically track certain information about You based upon Your behaviour on the Website. We use this information to do internal research on Your demographics, interests, and behaviour to better understand, protect and serve You. This information is compiled and analysed by the Company on an aggregated basis and not individually, in a manner that does not specifically identify You.

In addition to the above, We identify and use Your IP address to help diagnose problems with Our server, resolve such problems and administer the Website. Your IP address is also used to help identify you and to gather broad demographic information.

We may occasionally ask You to complete optional online surveys. These surveys may ask You for Your contact information and demographic information like zip code, age, or income level. We use this information to tailor Your experience at the Platform, providing You with content that We think You might be interested in and to display content according to Your preferences. We use Your Personal Information to send You promotional emails, however, We will provide You the ability to opt-out of receiving such emails from Us. If You opt out, the Company may still send You non-promotional emails, such as emails about the Services and Your account on the Website.

Unless and until, You explicitly give Your consent to Us, to do so, We will not share Your Personal Information with another user of the Website and vice versa.

Upon closure of Your account, We are not obligated to retain any data provided by You, and We reserve the right to delete all such data without assuming liability. Nevertheless, We may opt to retain the provided data if We deem it necessary to prevent fraud or future abuse, or if mandated by law, or for any other legitimate purposes.

Use of information received by the Company and/or its affiliates from Google APIs will adhere to [Google API Services User Data Policy](#), including the Limited Use requirements.

### **3. Sharing of information**

We may make Your Personal Information, Non-Personal Information, Transaction Information, User Communications and/or other information available to Our group companies and affiliates to enable providing You Services through the Website. Please note that all information shared with Our group companies and affiliates or made available to Our group companies and affiliates will be governed by this Privacy Policy. In addition to the Personal Information and in order to provide Services to You, the Company may also collect Your Aadhaar, fingerprint and signature, solely for completing the account opening procedures and authenticating Your transactions on the Website. The act of providing Your Aadhaar is voluntary in nature and the Company, hereby agrees and acknowledges that the Company will collect, use and store such details in compliance with applicable laws and this Privacy Policy.

We may also disclose Your Personal Information, to third party vendors, consultants, data processors, attorneys, accountants, auditors and persons or entities that assess Our compliance with industry standards, authorized external third parties who are involved in transaction processing and other service providers of the Company, who are bound by contractual obligations to keep such Personal Information confidential and use it only for the purposes for which We disclose it to them and You hereby give Your consent for the same. This disclosure may be required for Us, for instance, to provide You access to Our Services and process payments including validation of Your bank accounts, to facilitate and assist Our marketing and advertising activities/initiatives, for undertaking auditing or data analysis, or to prevent, detect, mitigate, and investigate fraudulent or illegal activities related to Our Services.

We may also disclose Your Personal Information, to statutory and regulatory bodies and authorities including but not limited to the Securities and Exchange Board of India and law enforcement authorities and entities or persons, to whom or before whom it is mandatory to disclose the personal data as per the applicable law, courts, judicial and quasi-judicial authorities and tribunals, arbitrators and arbitration tribunals.

You hereby specifically agree and provide Your consent thereby enabling Us and/ or Our group/associate/affiliate companies to access, store, transfer, process your SMS data for the purpose of reviewing your profile or undertaking internal evaluation and analysis.

The Company may disclose Your information, to the extent necessary: (i) to comply with laws and to respond to lawful requests and legal process, (ii) to protect the rights and property of the Company, Our users, and others, including to enforce the Terms, and (iii) in an emergency to protect the personal safety and assets of the Company, the users, or any person. In such an event the Company is in no manner responsible for informing You or seeking Your approval or consent.

We and Our group companies and affiliates (to the extent Personal Information is collected by them) may, in compliance with applicable laws, share/transfer/assign all of Your Personal Information and other information with any other business entity(ies), in the event of a merger, sale, re-organization, amalgamation, joint ventures, assignment, restructuring of business or transfer or disposition of all or any portion of Our business.

#### **4. Connecting your email account**

You hereby choose to provide Your explicit consent to connect/integrate Your email account(s) with Your account on the Website by clicking on the authentication email sent by the Company on Your registered email address. You will be expressly asked in each case whether You want to connect Your email address with Your account on the Website. You can also choose to enable Our access to one or more of Your email accounts by connecting such account(s) with Your account on the Website.

Such data obtained by this integration will be used by the Company solely for providing the Services and improving Your experience of the features of the Website and to consolidate your investment details and history. The Company hereby agrees and acknowledges that it shall not use or transfer any data or information received from the integration of the email addresses with the account on the Website to third parties for serving ads, including retargeting, personalized, or interest-based advertising.

We encourage You to review the information prior to giving Your consent for integration of the email addresses with the account on the Website. You may at any time opt to de-link Your email addresses connected with the account opened on the Website, by managing these connections with the options provided on the Website.

## **5. Links to Other Third – Party Sites and collection of information**

Our Website may link You to other third – party websites (“Third – Party Sites”) that may collect Your Personal Information including Your IP address, browser specification, or operating system. The Company is not in any manner responsible for the security of such information or their privacy practices or content of those Third – Party Sites. Additionally, You may also encounter “cookies” or other similar devices on certain pages of the Third – Party Sites and it is hereby clarified by the Company that the Website does not control the use of cookies by these Third – Party Sites. These third-party service providers and Third-Party Sites may have their own privacy policies governing the storage and retention of Your information that You may be subject to. This Privacy Policy does not govern any information provided to, stored on, or used by these third-party providers and Third-Party Sites. We recommend that when You enter a Third-Party Site, You review the Third Party Site’s privacy policy as it relates to safeguarding of Your information. These companies may use information (not including Your name, address, email address, or telephone number) about Your visits to the Website and Third-Party Sites in order to provide advertisements about goods and services of interest to You. You agree and acknowledge that We are not liable for the information published in search results or by any Third-Party Sites.
